POCS Mental Health PC
Subject: Sliding Fee Discount Program
Effective Date: January 1, 2018

Policy: To make available discount services to those in need.

Purpose:

This program is designed to provide free or discounted care to those who have no means or limited means to pay for their medical services (Uninsured or Underinsured). In addition to quality healthcare, patients are entitled to financial counseling by someone who can understand and offer possible solutions for those who cannot pay in full. The Patient Account Representative's role is that of patient advocate, that is, one who works with the patient and/or guarantor to find reasonable payment alternatives.

POCS MENTAL HEALTH PC will offer a Sliding Fee Discount Program to all who are unable to pay for their services. POCS MENTAL HEALTH PC will base program eligibility on a person's ability to pay and will not discriminate on the basis of age, sex, race, sexual orientation, gender identity creed, religion, disability or national origin. The Federal Poverty Guidelines are used in creating and annually updating the sliding fee schedule (SFS) to determine eligibility.

Procedure: The following guidelines are to be followed in providing the Sliding Fee Discount Program.

1. Notification: POCS MENTAL HEALTH PC will notify patients of the Sliding Fee Discount Program by:
 - Payment Brochure will be available to all uninsured patients at the time of service.
 - Notification of the sliding fee discount program will be offered to each patient upon admission.
 - Sliding Fee Discount Program application will be included with collection notices sent out by POCS Mental Health PC.
 - An explanation of our Sliding Fee Discount Program and our application form are available on POCS Mental Health PC's website.
 - POCS Mental Health PC places notification of Sliding Fee Discount Program in the clinic waiting area.
2. All patients seeking healthcare services at POCS MENTAL HEALTH PC are assured that they will be served regardless of ability to pay. No one is refused service because of lack of financial means to pay.
3. Request for discount: Requests for discounted services may be made by patients, family members, social services staff or others who are aware of existing financial hardship. The Sliding Fee Discount Program will only be made available for clinic visits. Information and forms can be obtained from the front desk and the business office.
4. Administration: The Sliding Fee Discount Program procedure will be administered through the Business Office Manager or his/her designee. Information about the Sliding Fee Discount Program policy and procedure will be provided, and assistance offered for completion of the

application. Dignity and confidentiality will be respected for all who seek and/or are provided charitable services.

5. Completion of Application: The patient/responsible party must complete the Sliding Fee Discount Program application in its entirety. By signing the Sliding Fee Discount Program application, persons authorize POCS Mental Health PC access in confirming income as disclosed on the application form. Providing false information on a Sliding Fee Discount Program application will result in all Sliding Fee Discount Program being revoked and the full balance of the account(s) restored and payable immediately. If an application is unable to be processed due to the need for additional information, the applicant has two weeks from the date on their period, their application will be re-dated to the date on which they supply the requested information.
6. Eligibility: Discounts will be based on income and family size only. POCS MENTAL HEALTH PC uses the Census Bureau definitions of each.
 - a. Family is defined as; a group of two people or more (one whom is the householder) related by birth, marriage or adoption and residing together; all such people (including related subfamily members) are considered as members of one family.
 - b. Income includes earnings, unemployment compensation, workers' compensation, Social Security, Supplemental Security Income, public assistance, veterans payments, survivor benefits, pension or retirement income, interest, dividends, rents, royalties, income from estates, trusts, educational assistance, alimony, child support, assistance from outside the household and other miscellaneous sources. Noncash benefits do not count.
7. Income verification: Applicants must provide one of the following: prior year W-2, two most recent pay stubs, letter from employer, or Form 4506-T (if W-2 not filed). Self-employed individuals will be required to submit detail of the most recent three months of income and expenses for the business. Adequate information must be made available to determine eligibility for the program. Self-declaration of income may only be used in special circumstances. Specific examples include participants who are homeless. Patients who are unable to provide written verification must provide a signed statement of income, and why (s)he is unable to provide independent verification. This statement will be presented to POCS MENTAL HEALTH PC's CEO or his/her designee for review and final determination as to the sliding fee percentage. Self-declared patients will be responsible for 100% of their charges until management determines the appropriate category.
8. Discounts: Those with incomes above 100% of poverty, but at or below 200% of poverty, will be charged according to the attached sliding fee schedule. The Sliding Fee schedule will be updated during the first quarter of every calendar year with the latest Federal Poverty Guidelines.
9. Nominal Fee: Patients receiving a full discount will be assessed a \$10 nominal charge per visit. However, Patients will not be denied services due to inability to pay. The nominal fee is not a threshold for receiving care and thus, is not a minimum fee or co-payment.
10. Waiving of Charges: In certain situations, patients may not be able to pay the nominal or discount fee. Waiving of charges may only be used in special circumstances and must be approved by POCS MENTAL HEALTH PC's CEO, CFO, or their designee. Any waiving of charges

should be documented in the patients file along with an explanation (e.g., ability to pay, good will, health promotion event).

11. Applicant Notification: The Sliding Fee Discount Program determination will be provided to the applicant(s) in writing and will include the percentage of Sliding Fee Discount Program write off, or, if applicable, the reason for denial. If the application is approved for less than a 100% discount of denied, the patient and/or responsible party must immediately establish payment arrangements with POCS MENTAL HEALTH PC. Sliding Fee Discount Program applicants cover outstanding patient balances for six months prior to application date and any balances incurred within 6 months after the approved dates, unless their financial situation changes significantly. The applicant has the option to reapply after the 6 months have expired or anytime there has been a significant change in family income. When the applicant reapplies, the look back period will be lesser of six months or the expiration of their last Sliding Fee Discount Program application.
12. Refusal to pay: If a patient verbally expresses an unwillingness to pay or vacates the premises without paying for services, the patient will be contacted in writing regarding their payment obligations. If the patient is not on the sliding fee schedule, a copy of the sliding fee discount program application will be sent with the notice. If the patient does not make effort to pay or fails to respond within 60 days, this constitutes refusal to pay. At this point in time, POCS Mental Health PC can explore options not limited, but including offering the patient a payment plan or waiving of charges.
13. Record keeping: Information related to Sliding Fee Discount Program decisions will be maintained and preserved in a centralized confidential file located in the Business Office Manager's office, in an effort to preserve the dignity of those receiving free or discounted care.
 - a. Applicants that have been approved for the Sliding Fee Discount Program will be logged in a password protected document on POCS Mental Health PC shared directory, noting the names of applicants, dates of coverage and percentage of coverage.
 - b. The Senior Office Manager will maintain an additional monthly log identifying Sliding Fee Discount Program recipients and dollar amounts. Denials will also be logged.
14. Policy and Procedure review: Annually, the amount of Sliding Fee Discount Program provided will be reviewed by the COE and/or Comptroller. The SFS will be updated based on the current Federal Poverty Guidelines. Pertinent information comparing amount budgeted and actual community care provided shall serve as a guideline for future planning. This will also serve as a discussion base for reviewing possible changes in our policy and procedures and for examining institutional practices which may serve as barriers preventing eligible patients from having access to our community care provisions.
15. Budget: During the annual budget process, an estimated amount of Sliding Fee Discounted Program service will be placed into the budget as a deduction from revenue. Board approval for Sliding Fee Discount Program will be sought as an integral part of the annual budget.
